FEED, BEDDING AND SUPPLIES

First Bedding will be furnished for beef, poultry and rabbits. Sawdust and sand are not to be used for bedding, due to the difficulty in disposing of manure containing these materials.

As a service to exhibitors Management has contracted with a concessionaire to make available for purchase grain, hay, straw and some miscellaneous supplies. The store is located under the viaduct across from the Gilligan Livestock Complex (Horse Barn). Prices must be posted and be in line with the retail market of this general trade area. All purchases made during the show must be from the feed concession. No outside vendors will be permitted to make deliveries on the fairgrounds.

Exhibitors may provide their own feed, but are **not permitted** to sell to others, **nor** may they store feed in aisles or block aisles with service vehicles.

Exhibitors purchasing feed and bedding from the concessionaire must not have a remaining balance. All items should be paid for upon initial purchase. Any remaining balance with concessionaire will result in release slip not be given until balance is paid.

Exhibitors must keep pens and aisles clean and in order, along with keeping their animals clean and well cared for, as a part of their contribution to the Ohio State Fair. Exhibitors must place manure outside of the building in area provided for loading. Manure **must not** be left on the ramp or platform. Exhibitors neglecting to do this will be warned for the first offense. Premiums and special awards won shall be forfeited for further neglect and lack of cooperation. Only animals placing first or second in their individual classes are eligible to compete for championship rosettes and trophies.

FIRST AID CENTER

Management will maintain an equipped first aid center staffed by paramedics with stretcher golf carts to provide emergency treatment and reference facilities for accidents and illnesses occurring on the grounds.

If an illness or injury is severe or additional medical attention is necessary, the Columbus Fire Department Emergency Squad will be called in to transport the patient to the closest and appropriate hospital. If the injury or illness needs additional attention, but the patient does not require assistance in getting to a medical facility or emergency room, he/she will be given direction to said facilities. In all cases, medical bills are the responsibility of the patient, or parent/legal guardian in the case of a minor. Management assumes no responsibility for accidents on the grounds.

The first aid center will be open Monday – Thursday 10 a.m. – 11 p.m. and Friday-Saturday 10 a.m. – 12 a.m. (midnight).
